Chelton Handle Drives Ste'alth Secure™ Locking

Durations patented Chelton handle is slim, discreet and installed directly into the window bead, with concealed fixings. The handles anti-ligature properties make it suitable for schools, hospitals and other public buildings, and it's flush design means it will not catch on your nets or blinds.

Our patented Ste'alth Secure™ Locking is modern multi-point all round window locking, securing the window on three sides rather than one.

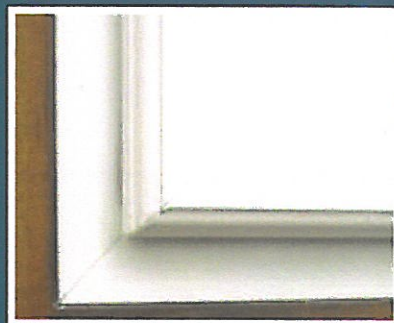

Colours and Finishing Touches

Windows can be supplied in single or dual (one colour inside and another out) RAL colour polyester powder coated finish.
